*Poster instruction

Those of you participating with a poster are responsible for bringing the poster to the venue. The poster should be a maximum of 700x1000 mm, portrait orientation preferable. You will get an instruction when and where to put up the posters onsite. Also, please send a pdf of your poster to johan.nilsson@su.se no later than August 24th. All posters will be compiled into a small booklet that will be distributed at the workshop.

In addition to this, all poster presenters should prepare for a 60-90 second short-short introduction to each poster. The introduction should contain:

- *Name of author*
- *Title of author*
- *Affiliation of author*
- *A brief synopsis of the poster, including title*
